Merchant Dashboard: Creator Campaigns

The Merchant Dashboard: Creator Campaigns interface features a sidebar with navigation options: Merchant, Store Insights, Orders, Products, Creator Campaigns (highlighted with a 'NEW' badge), and Settings. The main content area is titled 'Creator Campaigns' and includes a 'Category-based creator search' bar, a 'Find Creators' button, and a 'Create Campaign' button. Below these is a table of active campaigns. An orange arrow points from the 'Find Creators' button to the table. A hand icon points to the 'Approve' button for the 'TRAILRUN® Tech Hoodie' campaign. A green checkmark icon points to the 'Approve creator reels' button at the bottom right.

Matching Flow: Product → Filtered Creators

The Matching Flow: Product → Filtered Creators interface shows a merchant selecting a product, applying filters, and viewing filtered creators. The 'Select a Product' section shows a blue blazer. The 'Category match' section shows filters for Fashion, Availability, and Language. The 'Creator Filters' section shows filters for Fashion, Reels, and Book. The 'Filtered Creators' section lists three creators: Jessica C., Emily G., and Alex R., each with their reel count and views. A green checkmark icon points to the 'Approve creator reels' button at the bottom right.
